TOGETHER WE'VE SHARED LIFETIMES REMEMBERING OUR PAST IN '76

As our nation celebrates its two hundredth birthday, we on the "Trailblazer" staff have also taken a look backward -- over Jordan High School's forty-three-year history.

From its beginnings in a rented building, our school has continuously grown. We started, on this site, in the tile-roofed buildings in the center of campus. Today we attend classes in twenty-one separate structures in addition to numerous other locations in the community.

Academic programs have been constantly revised and up-dated, in order that Jordan graduates be fully prepared for the world that awaits them. The student body has grown; the staff has grown accordingly.

Most of all, the spirit that makes Jordan unique has continued to prosper. Known for our enthusiasm and our friendliness, we take pride in being part of Panther history.

Beauty of change is for those
with changing minds. The new
turns to the old, while the old
turns to the older.
Beauty is enriched with the test
of time. Look and have an open
mind.

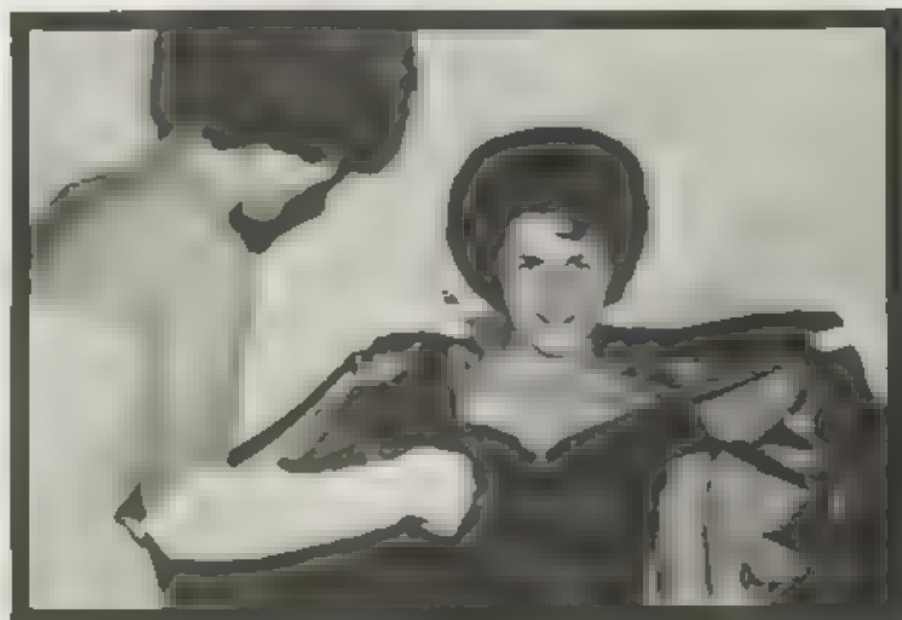

The love we've shared and gained
at times seems forever,
with never an end.
We've fought and loved like children
at play; we live for now,
because it may never come again.

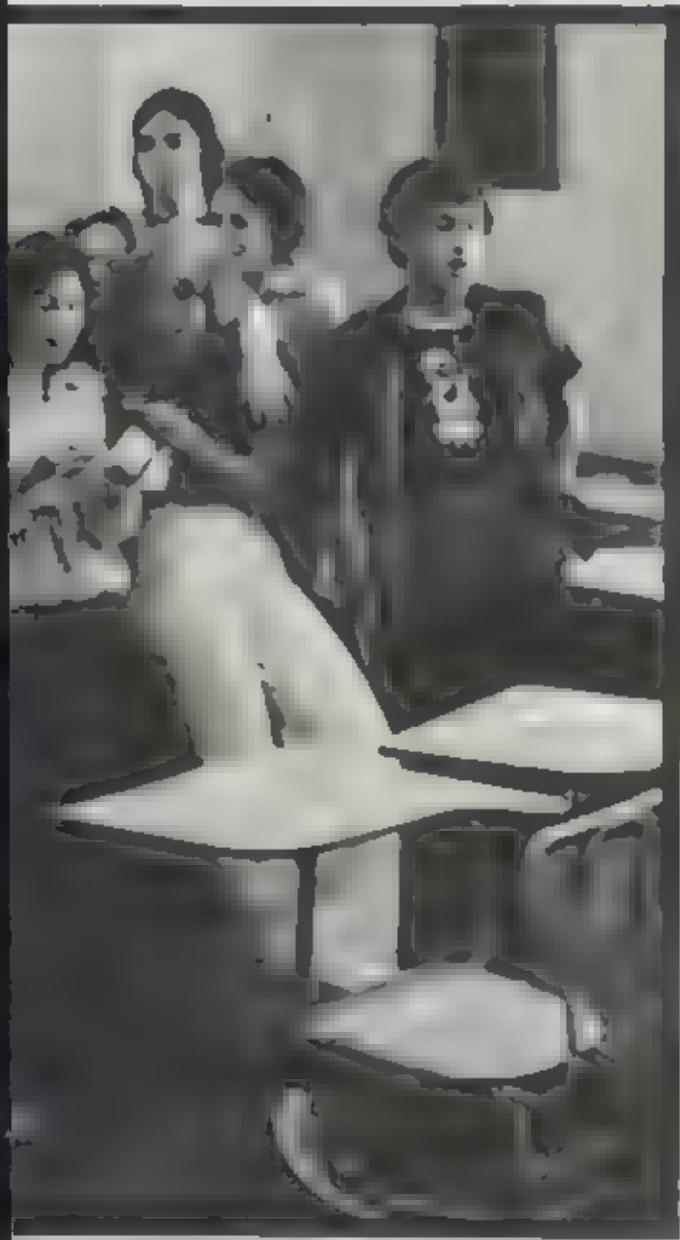

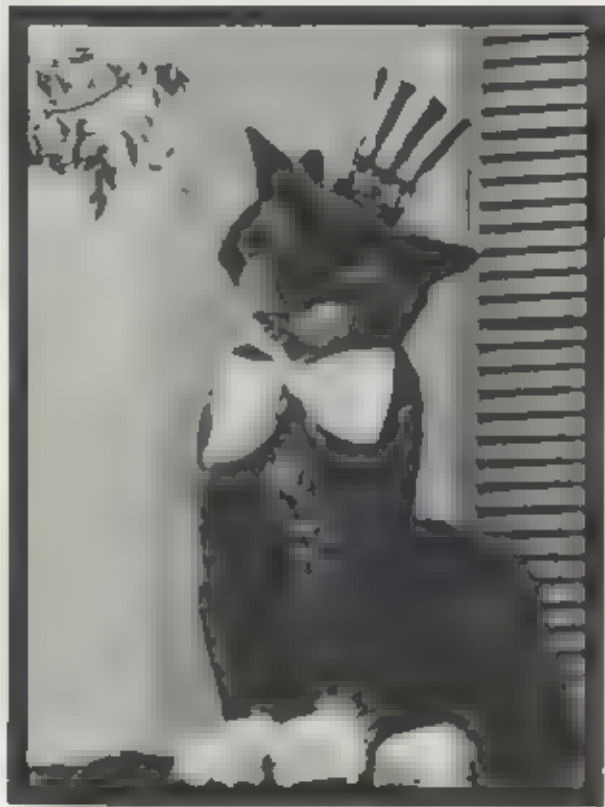

-John Helm

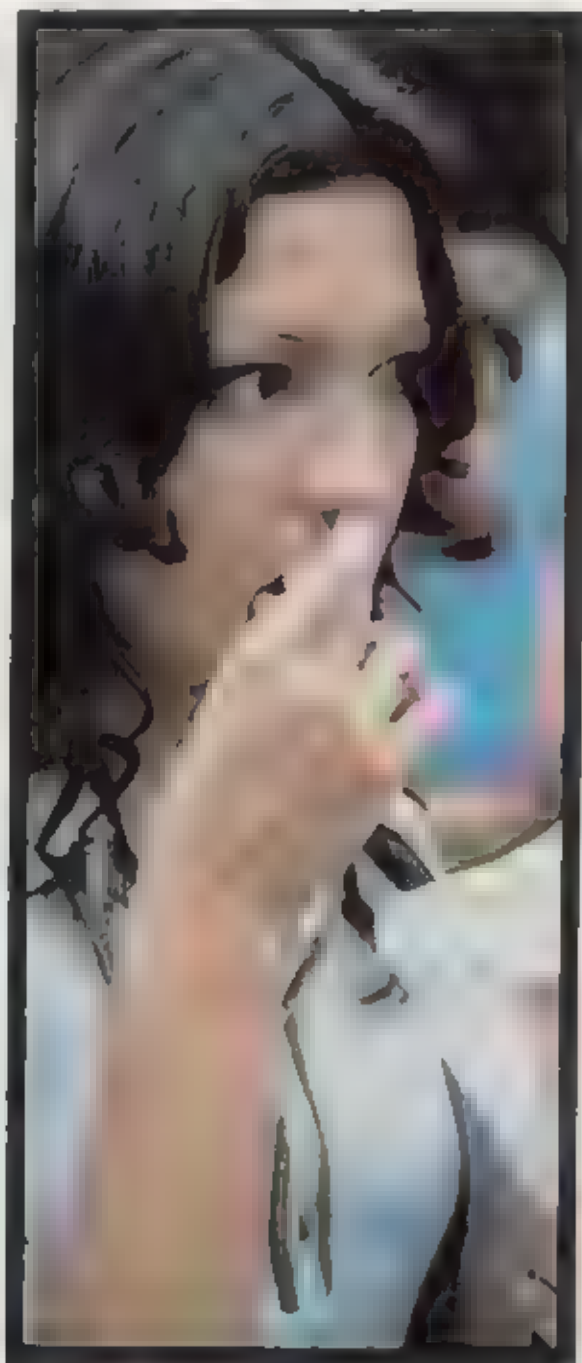

As Jordan was and is
a small part in this
changing society,
As the world alters,
shifts, evolves, so have we
throughout the years.

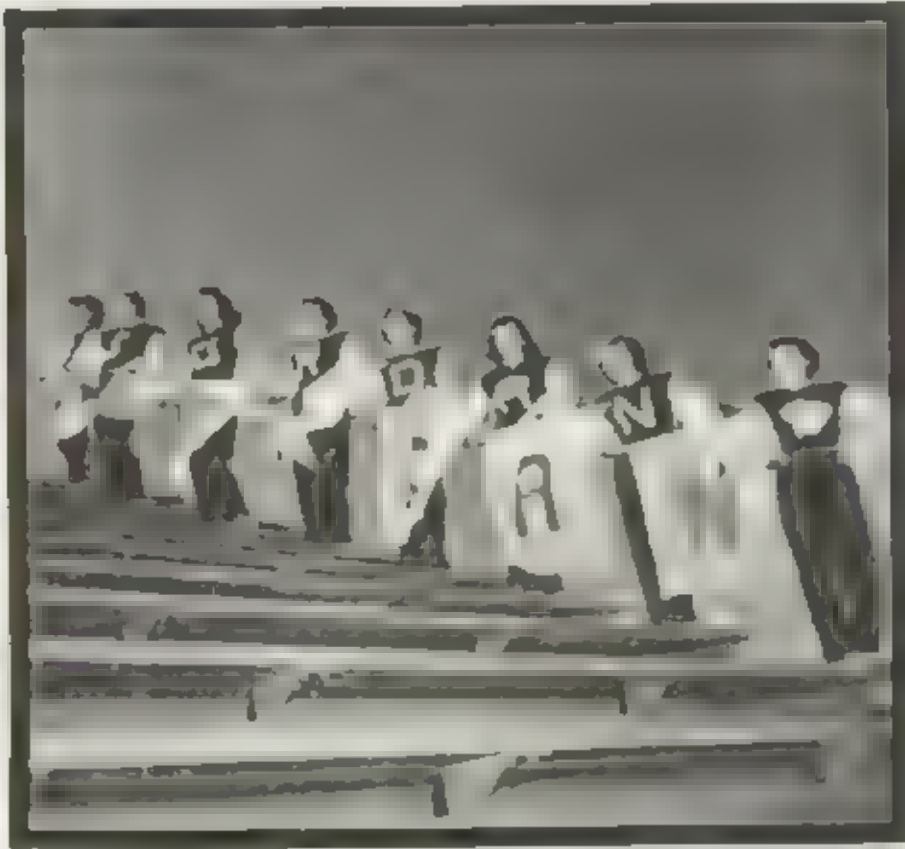

Bells in the
distance--

Listen to them
chime. Hard
to forget those
memories--

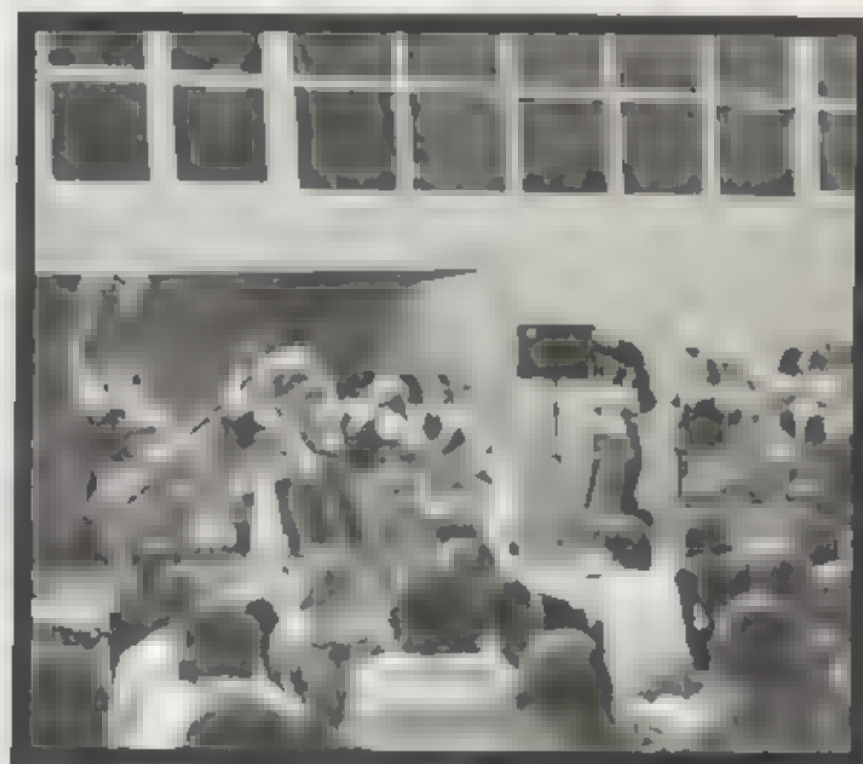

remember the
times. . .

Victories,
Sorrows,
We shared them all.
From our beginnings
In 1933, we've shown
Our spirit, Our pride
In Jordan High.

We look back to remember,
But sometimes forget,
That the days here in '76,
Are not ones to regret.

A certain kind of Spirit
Led us all the way--
Not one that will leave us,
But one that will be
With us every day.

Shouts

greeted the Homecoming Princesses as they were chauffeured onto the field in antique cars: sophomore princess Cindy Speigel, junior princesses Tammy Payne and Shari Montgomery, senior princesses Vicki Payne, Susan Rappe and Patty Wilson. Tension mounted as 1974 Homecoming Queen Lydia Castillo awaited the crowning, and then the suspense was over. Vicki Payne was crowned the 1975 Homecoming Queen.

"Spirit of America"

was the theme for this year's Homecoming. It was celebrated by alumni and current students alike. Many people participated by dressing in colonial and Bicentennial costumes. Booths were decorated in red, white, and blue, and items sold ranged from peanuts to Mexican food, and garters to T-shirts. Some events of the day were judging of costumes and booths, a slave auction, and marriage ceremonies. Daytime activities were climaxed by a pep assembly in which last year's A.S.B. Presidents and former yell leaders and pepsters returned to speak and perform.

The big event was the game against Poly. Evening festivities included presentation of the Homecoming Court, and a spectacular blackout show by the band and drill team.

"V-V for Victory..."

...Var-Var for Varsity.' This year's yell squad proved to be one of Jordan High School's finest. They worked hard over the summer to develop and practice new routines

and cheers. Some of the new cheers were 'In 1975,' 'Let the Good Times Roll,' and 'That's the Way We Like It.'

was the cheer that the J.V. and Sophomore Yell Leaders shouted as they brought spirit and excitement to Jordan sporting events. The 1975-76 squads worked very hard cheering their teams on to victory. Aside from cheering, they painted pep signs, and participated in some of the mascot skits.

Panthers

are DYNAMITE! And so were this year's Mascots, Barbara Gordon and Karen Tippetts. The pair brought spirit and enthusiasm to all football games and pep rallies at Jordan, as well as to numerous other events. They painted pep signs, and performed their original skits at assemblies. Their presence was made known at each and every game by the big black Panther outfits they wore.

Spirit and Pride

The 1975-76 Band

brought spirit and pride onto Jordan's field every time they performed at a football game. Jordan High Panther Band maintained its reputation as one of the finest in the city.

Band was busy. Led by the Pageantry girls in their blue and white uniforms and white boots, they marched in parades for the Long Beach Gran Prix, Silverado Days in Buena Park and Pan-American Day. In addition, they participated in the Band Spectacular at City College, two spring festivals and Jordan Day at Lakewood Center. They also were part of every Jordan concert and of graduation ceremonies in June.

Pride

spirit and enthusiasm were generated by the 92 members of this years 1975-76 Pantherettes. The Pantherettes worked very hard during the summer and Wednesdays after school and Wednesday evenings perfecting themselves for their successful halftime shows, parades, and competitions.

Thespians

is an international society whose members center their interests on the theater arts. The advancement of theater arts is the main purpose of the club. The Thespians at Jordan devote much of their time to entertaining and to honoring theatrically talented students on campus.

This year, the club entered dramatic competition at California State University in Long Beach and did quite well. As a group, they attended stage and television shows. The club members were responsible for conducting ticket sales and publicity campaigns and setting up various committees for the plays that were shown this year.

Club activities during the year included a car wash. The money received from the car wash went towards preparations for the Thespian banquet.

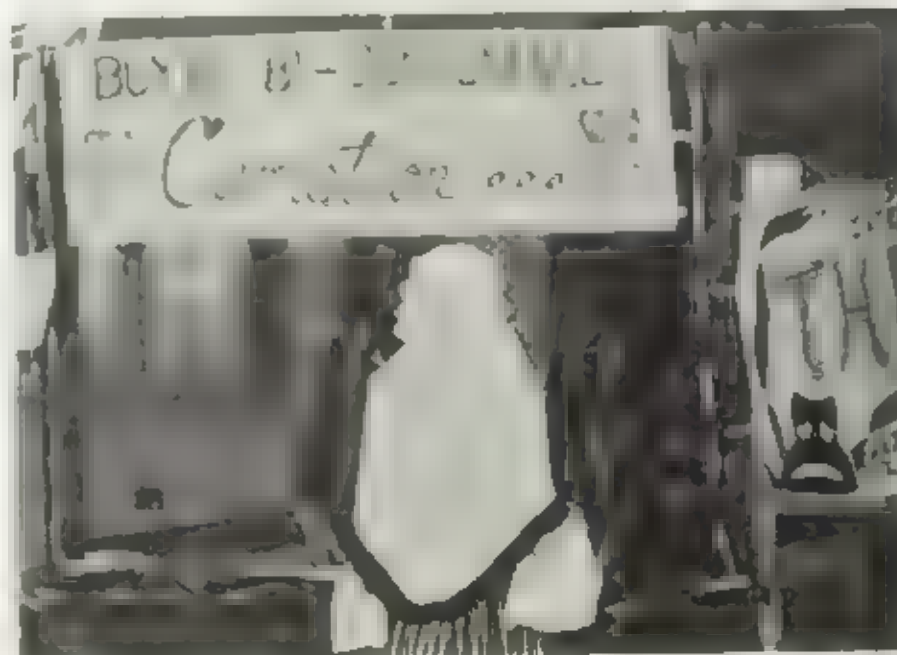

Understanding Others

is what Human Relations is all about. This group is composed of students, faculty and staff who try to deal with racial and ethnic tensions among students on campus. Two years ago Human Relations had a Student Involvement Day in hopes of creating better understanding between students, faculty and staff.

Dancing and Having Fun

were the things to do at the canteen every Friday night. Sometimes the Canteen had live bands and many of Jordan's fans participated. There were games to play and fine music for dancing. The Canteen was a also a place for teenagers to get together and make special things for their loved ones. It could also be called the "Friday Night Hangout."

Orchestra

is composed of twenty-two members. Early in the year, they performed in the Fall Concert and the Christmas Concert. Orchestra members attended and played at the Solo Ensemble Festival and the Music Festival. Later in the year, they performed at the Spring concert and the Spring Musical which is one of their more important performances.

The members of Orchestra possessed a good attitude. Mr. Ed Jackson, their musical director, said that their co-operation contributed much to the success of the group.

Stage Band

this year consisted of twenty members. Jazz and rock tunes were their specialties. Music at pep rallies and basketball games was provided by the Stage Band. Throughout the year, the members were involved in many activities including Long Beach City College Jazz Festival and the Jazz Festival of the Long Beach Unified School District. This past year, a special assembly featured musical entertainment by the Stage Band. The Christmas Concert and the Spring Concert gave Stage Band members a chance to show off their musical talents.

Mr. Ed Jackson, who is in charge of the Stage Band, was proud of the way many members sacrificed a number of their own lunch periods to practice their music diligently. He said that this shows the caliber of this year's Stage Band.

Singing Their Hearts Out

is the Jordan's Choral Music Department. Under the instruction of Mr. Alan Caddick it has continued to be a fine and talented group. The Choral Department consists of four groups: Mixed Chorus, Girls' Choir, A Cappella Choir and Choraliers. These groups perform at many festivals, as well as at school concerts. Choraliers also entertain at social engagements. This requires a great deal of time, ambition and devotion, as well as a great love for music.

Fall

Student Government

worked well as a class. They attempted to embody the ideals of student representation, that are so essential in maintaining the principles of democracy. Projects, such as Restroom Rehabilitation exemplified this striving for representation of student problems. Not all of their goals were reached, but Homecoming and the United Crusade proved to be successful. The fact that they strived for them is the important thing.

enjoyed being a major part of Jordan this past semester. Jordan Day, the Senior Prom and the Sweetheart Dance were only a few of the many activities in which they took part. Sweetheart Dance

The Court: Shirley Brennan, Junior Princess; Janice Knoblock, Sophomore Princess; Victor Sharp, Senior Prince; John Helm, King; Connie Hansen, Queen; Tammy Murray, Senior Princess; Andrea Parisi, Senior Princess.

The Sweetheart Dance, with the sweet sounds of Odyssey, was enjoyed by all this year. On February 12, the entire Student Body joined together to re-establish the long-forgotten tradition of the Sweetheart Dance. The dance was held in the boys' gym, which was decorated in accordance with the occasion.

It has been many years since we have had a king. John Helm received the honors for 1976, while Connie Hansen was chosen as queen. Senior Prince was Victor Sharp, Senior Princesses were Tammy Murray and Andrea Parisi, Junior Princess was Shirley Brennan and Sophomore Princess was Janice Knoblock. The dance was a great success and perhaps the beginning of an old tradition.

A Special Book

was the main objective attempted by this year's "Trailblazer" staff in creating a special yearbook for all J.H.S. students. This year's theme, "Together we've shared lifetimes: remembering our past in '76," was directed toward celebrating the Bicentennial and looking back on Jordan's 43-year history. It was carried out by using the historical setting of Rancho Los Alamitos for pep group pictures, matching old pictures with new pictures, and including Bicentennial stickers and colors.

Cat's Purrrrrr

is not the Panther cry. In fact, it is the newspaper of David Starr Jordan High School that is published twice a month. Twelve journalism students comprised the staff of the "Cat's Purr" this year. Planning the newspaper taught students various advanced techniques essential to putting out an informative and well-written publication.

According to Mrs. Susan DeWitz who is their adviser, this year's staff accomplished more as a group than is sometimes true because no one individual attempted to outshine the others. In comparison to other groups of prior years, she claimed that the 1975-1976 staff has progressed further.

"Repertory '76"

a patriotic extravaganza, was unique in its novelty and excitement. For the first time the Jordan Drama Department was featured on Ray Duncan's KNBC-TV News. The production, involving all drama classes, created a full-scale touring production from scratch.

'Repertory' mixed allegory, melodrama, docu-drama and slides with musical comedy. The show ran two nights and closed to a standing ovation.

"Unsinkable Molly Brown"

the big, funny musical about a miner's daughter who becomes a legend in her own lifetime, was performed by members of the student body. In the starring roles, Renee Kern and Chuck Long sang, danced, fought and loved their way into the audience's hearts. With the help of professional choreographer Linda Lea, "Molly Brown" followed in the footsteps of all the great musicals performed by Jordan.

"Dance '76"

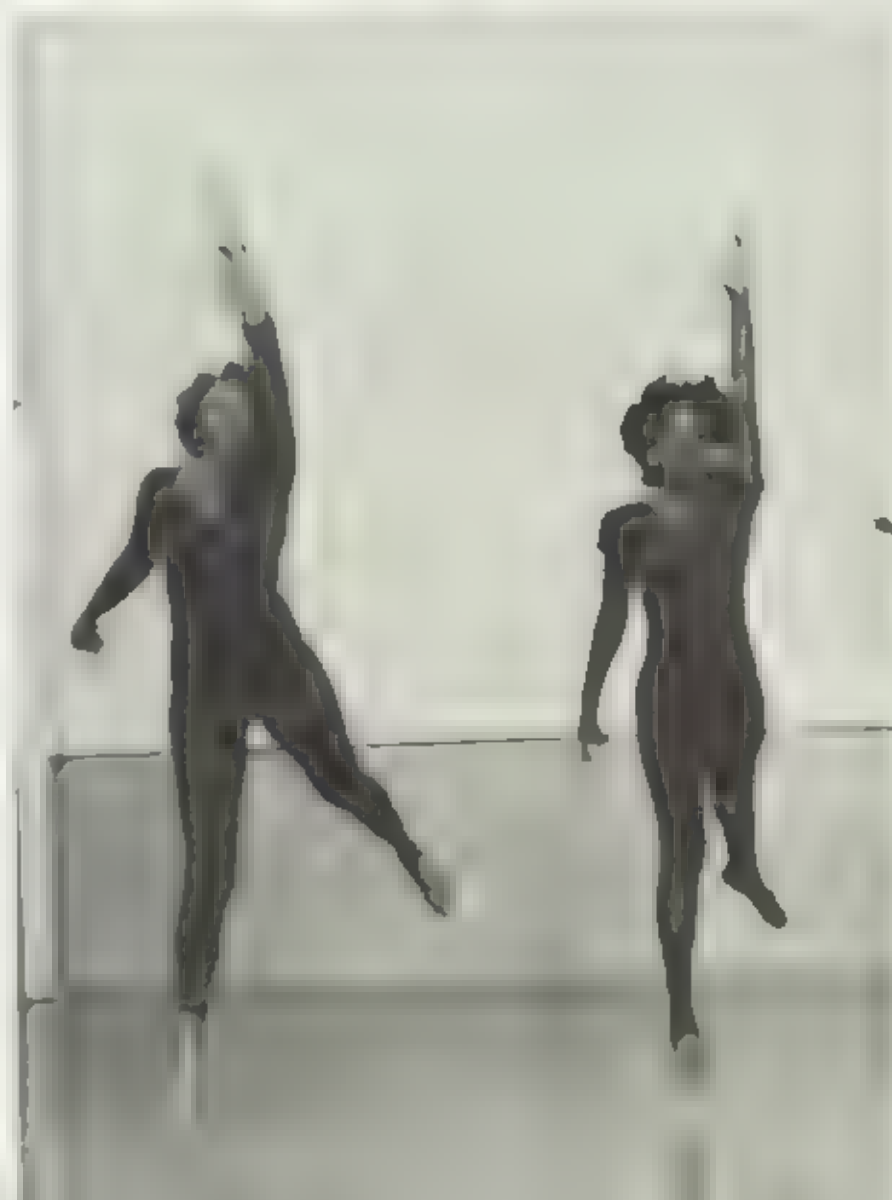

was the theme of this year's dance concert performed by the Advanced Dance Class. The thirty-three girls enrolled in the class worked together and alone to choreograph unique moves to make the performance interesting. Many dances from all countries of the world made up the finale to show the audiences 'It's A Small World.'

Under the instruction of Mrs. Stephanie Breskovich girls from Beginning Dance strive to meet the goals required to become talented dancers.

Training

tomorrow's leaders today has been the purpose of ROTC. The program at Jordan includes education in map reading, physical fitness, leadership, history and marksmanship training. To supplement their "in-the-classroom training," many are involved in competition. This past year, the Varsity Drill Team competed against other Army-Navy schools in the Long Beach and Los Angeles districts. The Rifle Team fired against other Long Beach high schools in competition.

Head of the Reserve Officers Training Corps at Jordan was Sergeant Edwin Ekleberry.

Distributive Education

is a class. Distributive Education Club of America is a club. D.E. and DECA enable students to study workings of the business world.

These students also enter contests which usually consist of marketing, sales and advertising manuals. This past year some of our students represented DECA at a convention in San Francisco.

This year DECA was also involved in Homecoming, with a float of the American Eagle in the Bicentennial colors.

Competition

is the main objective of the National Forensics League. It is not just a club at Jordan but a nationwide organization with the main purpose of encouraging speech competition among interested speech students. This gives opportunities to compete against students from other schools and to improve speaking skills.

NFL at Jordan prided itself this year in having fine debaters and individual speech competitors. Behind the scenes and responsible for inspiring students to participate in speech competition is Mrs. Ellen Mortensen.

Friendship and Understanding

are two goals for members of the Keywanette Club at Jordan. This year Keywanettes made toys for the Exceptional Children's Home, rode in a cyclethon for the Heart Association, went Christmas caroling with Key Club and went to the mountains for a weekend in the snow. They also had a candy sale and participated in Homecoming and Jordan Day.

Dedication

to serving the community and school is what characterizes Key Club. Much was accomplished this year along this line.

Key Club members started off the year by riding in the Long Beach Heart Association Bikeathon, then participating in Operation Cleanup, spon-

sored by councilman Russ Rubley. At Christmas time, they collected food cans for the needy and sang Christmas carols at convalescent hospitals. Key clubbers were involved in fund raising for multiple sclerosis and other similar services that helped the community.

"Let's Get a Little Bit Rowdy"

was what the Rowdy Rooters did throughout the 1975 Football Season. The Rowdy Rooters helped along with the other pep groups in supporting school spirit. They attended all games and when it came to getting a little bit rowdy, a little bit wasn't enough. They played a great part in leading the football team to their many successful victories.

Future Teachers

of America is a club organized for those students who plan on a career in teaching. The club members took trips to elementary schools, and made other career-related visits. In the fall, they had a tea to recruit new members, which proved successful. FTA also had a Christmas party which the members enjoyed.

Academically Inclined Students

had an opportunity to join CSF and NHS. The California Scholarship Federation consists of those students who were recognized for their outstanding work at Jordan. National Honor Society is a club for which only a small number of students qualify. To be in NHS, members must obtain at least a 3.5 grade point average and no less than 15 activity points. NHS and CSF gave the club members chances to meet people, visit colleges and universities, and to take enjoyable field trips.

Quill and Scroll

is made up of students from the journalism classes. These dedicated people are the ones responsible for the "Cat's Purr." They were involved in Homecoming and Jordan Day and many other activities. They spend much time and energy serving their school.

Tamana

is a creative arts club. It seeks to expand the involvement of students in the areas of art, music, writing and drama. Club activities included a trip to the Shakespeare Festival in San Diego and a visit to the Renaissance Pleasure Fair. They also saw the play, "The Taming of the Shrew." Through activities such as these members develop skills in and appreciation for the creative arts.

Houdini

was a new club on our Jordan Campus this year. The members are young magicians who get together to share new ideas and experiences in the world of magic. Their most amazing trick this year was when they all disappeared!

Strike!

Spare! Wow! are just a few of the different noises coming from the Red Fox Bowling Alley when the Bowling Club gets together. The club is in its first year here at Jordan. They sponsored a Bowl-A-Thon in which they earned lots of money. Trophies were given out to those bowlers who excelled at the end of this year.

VICA

is a club which develops vocational skills, enthusiasm for learning and good workmanship, and prepares members for leadership in the world of work. Members participated in local, state, national and international competition. At Homecoming, VICA sold apple cider as well as American flags. They also visited General Motors this year and participated in Jordan Day at Lakewood Center.

Interact

is a club which deals with service projects for the school and the community. The Interact Club works on at least two projects annually, one for the school or community and another for better understanding in the community. One of their community projects this year was Christmas caroling at rest homes.

Interact members also attend social events and go on trips.

Red Cross

is a high school club which is affiliated with the nationwide organization. Their purpose is to serve the community by helping with anything related to the health of people. Among all their activities, the one that is most noticeable to everyone on campus is their participation in the Red Cross drive.

Top: Interact-Row 1: Cheryl Ferrell, Pam Starr, Dale Wikert, Steve Whalin, Mark Schmillen, Shari Montgomery, Toni Slatter. Working Behind the Scenes

is the Stage Crew. They are an essential part of every production presented in the Jordan auditorium. They not only work with lighting and sound, but are also responsible for many other special effects. With the help of the Stage Crew the productions of Jordan High such as "Repertory '76" and "The Unsinkable Molly Brown" were successful.

Experience

is what the Occupational courses and ROC programs provide. Some of the courses offered here on campus are Health Care, Child Development, Construction, Auto Body Repair, Aviation Occupations and Fashion Merchandising. Jordan students are also enrolled in other ROC programs throughout the city. ROC, which stands for Regional Occupational Center, is a vocational education system within the Long Beach school district. ROC provides special skill training programs to help students prepare for full or parttime employment, to prepare them pursue additional technical training or to help them support themselves while pursuing a higher education.

Silence

is the only thing left in the old 400 building which used to house the print, metal and wood shops and others. The fate of the building has already been decided: to tear it down. In fact, while you are now reading this, our beloved 400 building has probably already been bulldozed to the ground. But do not despair, we have a shiny brand new building at the east end of our campus, which has taken over as the new Industrial Arts Building. A new media center will soon stand in the place of the old 400 building, making Jordan one of only two schools in the district to have such a facility.

"Poems, Prayers and Promises"

was the theme for this year's Senior Prom. It was held in a most unique atmosphere, in the elegant Flamenco Lounge aboard the Queen Mary. Seniors danced to the sounds of a sensational band that played a wide variety of music that was enjoyed by all. The prom was one of the major highlights of the senior year.

Health and Child Care

are only two of the services available at the new North Long Beach Facilities Center which has been open since November. Other services include employment counseling, other counseling, consumer and senior citizen assistance. In its first two months, the Center has served 1,200 people and usage has continued to increase.

Besides all of these other services, the center has a mini-bus which serves all the residents of the North Long Beach area. The center also serves as an office for both Councilman Rubley and for the Center's director, Cass Phatinawin. The facility serves Jordan students as well as the adult community.

Football 1975

presented the Panthers with a tough Moore League schedule, opening against Lakewood. The Panthers took command early in the girdiron match and maintained a comfortable lead throughout the game, thus

giving the Panthers their first victory over Lakewood in twelve years. The varsity team celebrated their victory by painting the red bench at the top of the stadium blue.

The Jordan offensive attack was led by Alan Parks, Ricky Coffman and Larry Steuck with protection from a strong offensive line. The Panther defense proved its holding power with such stand-outs as Wayne West, Mike Dahl, Darrell White and Tom Molley who averaged 43 yards a punt.

Coming off a 0-and-9 season in 1974, the Cats clawed to a 4-5 heartbreaking season. Mistakes and many penalties handed wins to Wilson and Millikan. Over all, the team had a fine season led by the salt-and-pepper line, the kamikaze perimeter, and the three stooges secondary.

The Junior Varsity

after many hours of workouts, running mile after mile, ran to a 3-2 record in the Moore League. With the help and experience of Coach Jim Keck, the JV's turned out such outstanding men as Randy Dingman and Andy Baridges.

Top: JV Cross Country. Row 1: Andy Bridges, Dan Gastelum, Mike LaPointe, Randy Dingman, John Dalton, Row 2: Jim Smith, Brian James, John Medici, Paul Young, Dave Williamson, Coach Keck.

Varsity Water Polo

under Coach David Timpone swam to a final 1-3 season in League competition.

Despite a disappointing record, the long and strenuous workouts produced many excellent talents. Standouts were Marty White, Jerry Giddings and Larry Meredith. Giddings and White were both selected to the first all-Moore League team. White also set a Moore League record by shooting 18 goals in just four games.

The team's first three league games were heartbreaking losses: Lakewood 11-10, Wilson 11-9, Millikan 13-11. But then the Panthers fought back to a decisive 13-4 victory over Poly.

started out the season as usual with the Montebello Tournament. Standouts at the tournament were Larry Meredith and Mike Larson who both took first place, Larry Mahoney who placed second and third-place finishers Rudy Mena, Jeff Davis, John Helm and Kevin Smith.

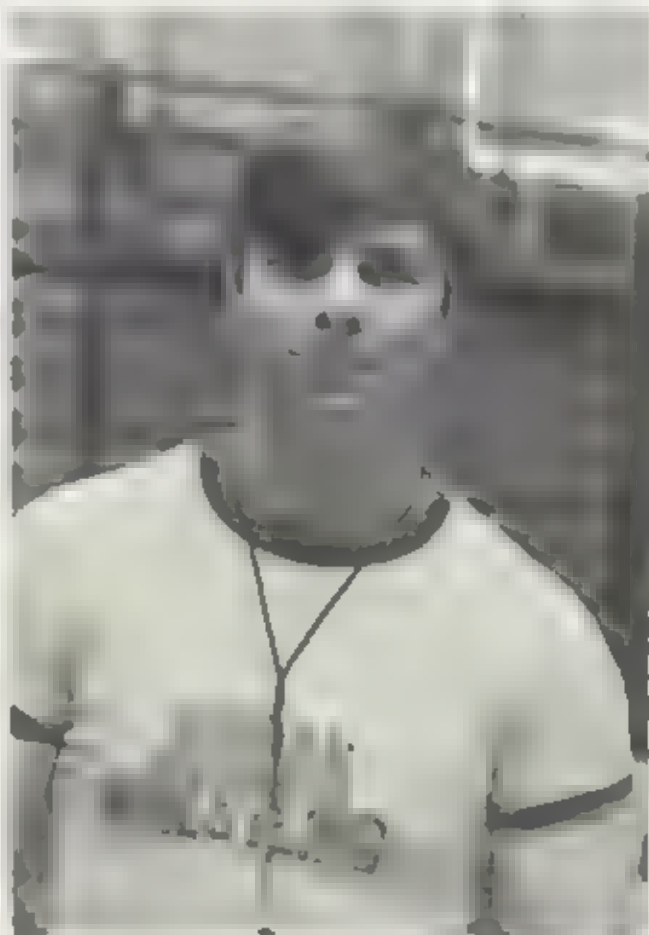

The team for the third consecutive year won a second-place trophy. Moore League finals were held at Jordan. The home advantage must have helped the Jordan Wrestlers, who did an outstanding job, taking second place. League champions were Larry Meredith and Jeff Davis with runners-up John Helm, Gary Tetors, Bob Engstrom and Bronc Wise. Jordan congratulates Coach Lifshin and the team on a great season.

Good Form and Movement

were two qualities of our Panther golfers this year. Practices were held three days each week at Skylinks Golf Course under the supervision of Coach Kurey. The two returning varsity golfers were David Underwood and David King, opening strong in the season. Out for golf for their first year were James Williams, Joseph Williams, Rusty Wink, Billy Foote, Greg Johnson, Robyn Barnes and Charles Acevedo.

1976 Jordan Track

with ten returning lettermen once again showed great promise and results this year. With a 440 relay team that ran in the low 42's, and a 9.9 hundred-sprinter named Alan Parks, Panther track was hard to beat.

Jordan fulfilled their potential this year in the Lynwood relays, taking home four trophies. Moore League season brought them many additional successes.

Skill and Teamwork

is what it takes to put together a successful varsity baseball team, and that's what our '76 Panther team was. Returning lettermen Herb Fauland, Ron Herrin, Ed Irvine, Terry O'Toole and Tom Molley gave the Panthers an extra boost in league competition. The players under Coach Chuck McFerrin dedicated much time and effort to developing their highly rated baseball skills.

JORDAN PANTHERS MARCH TO CIF FINALS

Jordan's baseball team started out slow in league play but gained a thrust of power, destroying such C.I.F. forces as Loara, El Modena, Eisenhower and Camarillo.

Jordan literally beat the cover off the ball when they dethroned Number 1 seeded Eisenhower in a more overly surprising victory . . . surprising to everybody but the Jordan team and fans, showing everybody how they have grown as a major baseball power.

Jordan then went into C.I.F. finals against our cross-town rivals, Lakewood High School. In a hard fought eventful contest, the Panthers came from behind to tie the score in the sixth inning 3-3. Two Lancer runs in the final inning became the deciding factor in the 1976 C.I.F. finals.

over Jordan's past forty years of existence had their best season this year. Each year more girls have become interested in sports, and now teams are packed with ability and talent.

The football team, coached by Miss Govas, brought home another championship this year. The '75-'76 tennis team was led by Mary Kesler and Linda Cutter; surprising young stars, Theresa Keith and Sheri Briere, moved up from Junior Varsity to finish the season in promising Varsity positions. Volleyball was coached by Ms. Lindahl; they finished with a pleasing season. Other sports such as softball and badminton began in the fourth quarter.

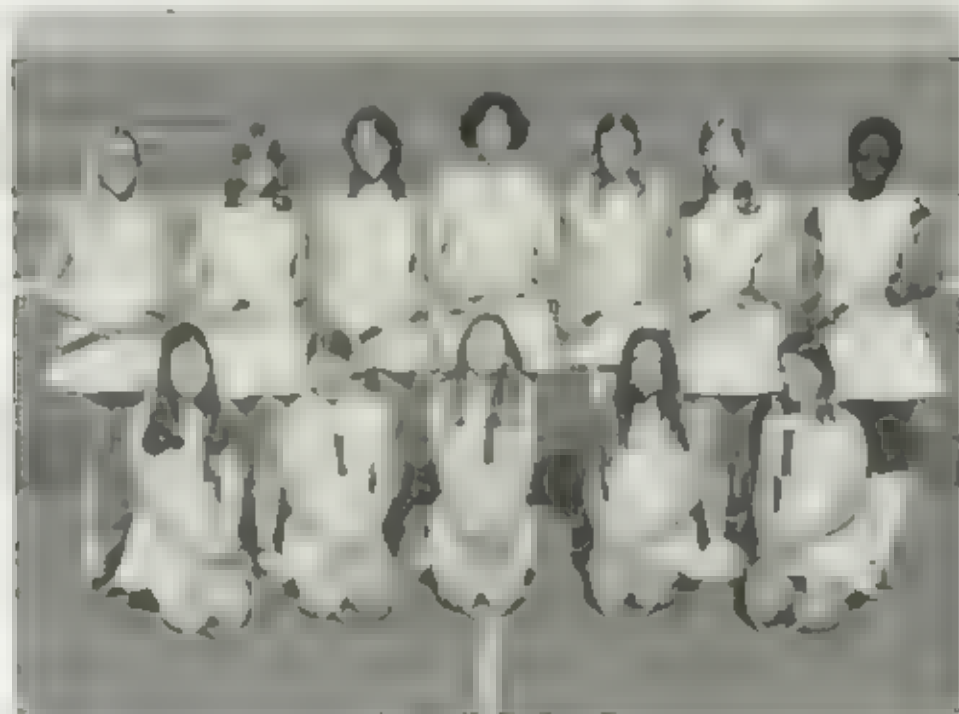

Jordan's G.A.A. is becoming a girls' sports power. Other schools' teams can only hope that Jordan doesn't continue this trend in the future.

The class of 1976 was very proud to graduate during our nation's 200th birthday celebration. The Bicentennial inspired the senior class to change the traditional blue and white tassels to red, white, and blue. Another change made by seniors was to hold this year's prom on the Queen Mary.

Money-raising activities by class officers and representatives included sales, of pom-poms, pep ribbons, and stationery. Instead of the usual canned food drive at Christmas, the senior class sponsored an Operation Christmas drive to get toys for needy families.

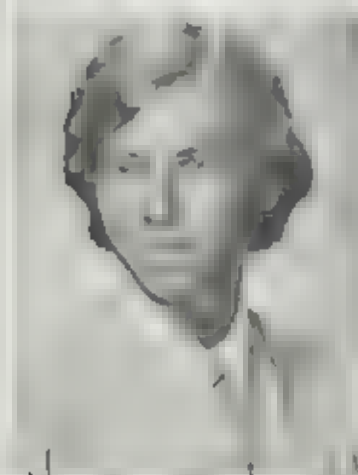

These are just a few of the many memories that the 1976 graduating class of David Starr Jordan High School will remember.

Now I just put the finishing touches on this picture.

Junior Activities Day

Junior Activities Day was held on January 23, 1976, during both lunches. It was the first time that Jordan held such an event for the juniors, and it was successful. A variety of activities was offered, such as volleyball, chess, gunnysack races, and hula-hoop contests. The event was conceived and developed by the Junior Class Council, who were assisted on that day by Jordan staff members.

Dr. Joseph McCleary

His name is Dr. Joseph McCleary, and he was the new principal at Jordan.

Dr. McCleary has a long background of teaching and administrating going back 35 years. He graduated from Murray High School in Utah and then went for his bachelor's and master's degrees at the University of Utah. He also graduated from U.S.C. with a doctorate.

He has worked at Poly High School as an assistant principal, and at the superintendent of school's office as personal relations administrator.

Dr. McCleary enjoyed Jordan this year and plans on staying.

ADMINISTRATION...

Patrick Bratton - Vice Principal

David Meacham - Assistant Principal

Georgia Hambly - Assistant Principal

The 1975-76 administration was one of the hardest-working teams to come along in years at Jordan. They constantly looked out for the welfare of students.

This year the administration set up goals. They campaigned to improve attendance of Jordan students and to reduce truancies. They encouraged students to stay at school, and to help them realize how fortunate they are to attend such a fine school.

Another goal was to improve the image of Jordan in the community through various activities that involved the members of the community. The administration devoted its full time to building a fine educational institution.

Office Staff: Row 1: Shirley Colling, Frances Ball, Bernadette McCarthy, Beatrice Donnelly. Row 2: Joanne Ward, Mary Lou Ford, Lois Milliner, Marjorie Dahl.

The counseling staff as always was concerned with the futures of Jordan students. They worked to make sure that every student graduating had skills to earn a living or preparation for college. The staff was composed of seven counselors, two of them new to Jordan: Mr. Rolland Hansen and Mrs. Shirley Wirts.

STUDENT SERVICES

Friendly and willing to help others are qualities that described Mr. John Fylpaa, new activities director. He was in charge of such school activities as assemblies and rallies, class council meetings and all club activities.

The librarians at Jordan were anxious to help students find their way around the library. Miss Lucille McGuire and Miss Linda Gill went out of their way to help students.

When you were feeling down and had a fever, what did you do? You went to someone who took care of you and helped you feel better: Mrs. Helen Miller, our school nurse.

In addition to regular P.E. classes, Jordan sponsored boys' teams in football, basketball, baseball, swimming, tennis, track, water polo and cross country, keeping Panther pride strong. Feminists discovered that this was the year for GAA, as the inter-scholastic program continued to grow.

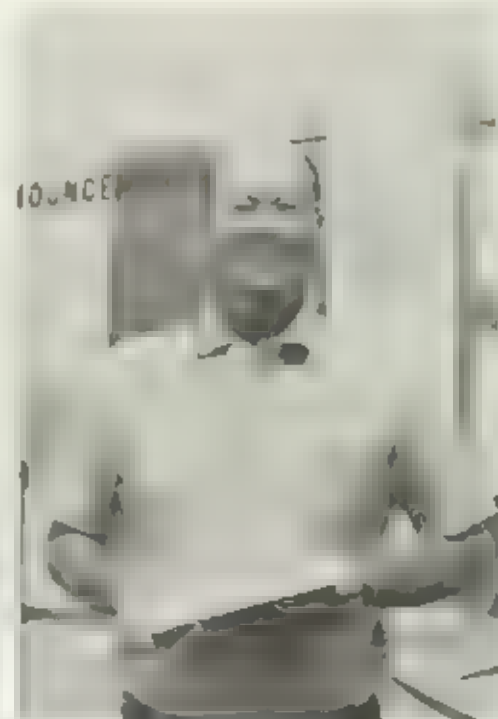

Home economics offerings for boys and girls kept enthusiasm for a varied program high.

Billy Word,
Good luck in Track
next year. Better run
and your butt off this summer
if you want to be #2

BILL
IT HAS BEEN GREAT
KNOWING YOU THIS YEAR. GOOD
LUCK IN TRACK AND BEST OF
LUCK IN EVERYTHING YOU TRY.
ROBERT RUNGE

Bill -
you're a good guy
and a good friend.
take it easy.

Mil Mateski

Bill,

It was a tough year
in Koons and Mr. Hagey's
but we both came out
with A's. Have a great
summer and I'll see
you next year in Pre Cal

Steve Ridings

Bill,

It's been fun running
with you the past couple
of years. You better run
hard this summer or
you might not be #2 on
the team with those soph-
mores coming. Also, don't
think you don't have to
worry about being thrown
in the pond next year because
we're gone, because we'll be
around. See ya.

"BEWARE" Rick "X"
ROBERT

Bill,

You're crazy! But
you do great impressions
of John Wayne and
Grocho. Keep up the
good work. Have a great
summer!

Larry,
Laurie
B.

Bill,
 you won't probably
 me at summer
 you may see me
 you may see me
 (Colombo)

hey Bill,
 Have a good summer don't
~~miss~~ to head and see you
 next year.
 Rich Hughes

To Bill

WELL BILL IT WAS NICE
 KNOWING YOU AND I HOPE
 YOU BETTER NEXT YEAR I
 SEE YOU LATER

LOVE
 JANICE

BILL I SEE
 HOPE SOMMER TO RUN
 THIS HOPE YOU HAVE A
 AND SUMMER SEE YOU
 GOOD NEXT YEAR, MIKE
 ENDS

Bill
 Well saddle up and ride
 out into the wild blue
 yonder and stop drinking
 out of those dirty glasses
 see ya
 hopefully
 Keith

Bill,
 Hi! It's really I
 been great knowing ya. I
 think you're a really nice
 guy. You're fun to talk to too
 cuz you're so funny. You got
 a great personality don't ever change
 it! Keep on runnin' (but not too fast
 let a few girls catch-up with ya). It
 was fun having you in drama.
 Good-luck next year I'll be
 seeing ya.

dove always,
 Pam

RAH
 75-76

Bill,
 It was a
 great year and
 I got to share so
 let it with you.
 Good luck next
 year.
 Love Denise

Billy,
 You've been a ~~real~~ real
 constant friend that I really
 think is O.K. But, your a nice
 track star that's going to do well
 for a long time. Thanks for
 being such a pal, Good luck always
 and stay well forever.

Joe Kang
 V.P. 

Bill,
 Well we finally
 made it through
 frig. Even though
 you had no problem.
 Thanks for all the
 help. Good Luck next
 year.
 Steve "77" Espada

Bill,
 I had a great semester
 in history with you
 maybe will have
 some classes with
 you together next
 year.
 RUNNIN' KRPP

Catch ya later.
 David
 Palmer

Billy Bug
 It's been
 a very good
 year in track
 & well. At some
~~point~~ wrapping
 next year.
 Joey Clement
 1/200

Bill,
 you could have
 a little since you always
 did pretty good but I
 have fun anyway
 ODDONE

Bill
 How's it
 going? It's been
 a big joke. It's been
 easy and looks like
 See you next year
